

**Greater Mt. Nebo Christian Academy  
Parent Permission Picture and Name Release Form**

Dear Parents,

As teachers provide daily instruction for the students there are special occasions, events, and projects that occur within the classroom that demonstrate student learning. Teachers would like to capture some of these activities through the use of photography. The photographs will be displayed in the classrooms and hallways of the school to provide visual representations of classroom instruction.

As the enrollment increases at Greater Mt. Nebo Christian Academy there will be occasions that articles will be published in different community newspapers concerning the many accomplishments of our school staff, achievements of our students, and even to let people in the community know that we are located in this area. There may also be times when pictures are requested as part of the article.

It is requested that you complete the bottom portion of this form letting the school know whether you **do** or **do not** give the teacher and/or the community news media permission to photograph your child in his/her learning environment. It is also requested that you let the school know whether you **give** or **do not give** permission for your child's name to be published in a news article.

This form is to be returned with the registration packet. Thank you for your continued support.

Prayerfully,

Sonya C. Hamilton  
CAO/Principal
