GMNCA maintains a student-teacher ratio of no more than 15:1 in grades kindergarten and above with a part time para-professional provided to assist teachers in the pre-kindergarten classes when enrollment reaches 12 to 15 students.

## PARENT PARTICIPATION

God has given parents the responsibility and privilege to educate their children. Parental support and involvement is essential to a child's academic growth and development. Greater Mt. Nebo Christian Academy firmly believes that parents are the primary educators and the school's responsibility is to assist the parents. It is also our belief that God would have us to come together in His name as one voice modeling the Christian character and morals that He has laid before us in His Word. The staff here at GMNCA takes this responsibility seriously and considers it our ministry. By working together we can ensure that our children will develop a life long relationship with God and meet with academic success.
